Blueprint Value Number(s):

1.004 -- Programs to Improve Deployment Capability

Eligibility

Eligible Applicants:

Others (see text field entitled "Additional Information on Eligibility" for clarification)

Additional Information on Eligibility:

- CSM Support Customer Accounts

Program Description:

Receive support for your POC with Tableau. We are here to support you with our pool of talented Tableau employees and an additional best-in-class partner network to fall back on. Approved POC will receive the technical support they need to be effective and speed time to completion. We not only get you to the finish line faster, we arm you with more capabilities to achieve your success.

Fill out an application to tell us what you are trying to achieve, your scope of audience and what resources you think you might need in order to be successful. We will do our best to pull in talented resources to support your success!
